

Dominican Republic Mission Team

A Ministry of The First Baptist Church of Wallingford

Winter 2008

Thank you so much for your support of the Dominican Republic Mission Team Fundraiser held on March 1, 2008 at Sheehan High School in Wallingford. We had a packed house for our dinner, concert, and silent auction, and we could not have done this without your generous help!

All funds raised at this event will go directly to send the 130 local people who plan to be in La Romana, DR, this summer to help the very poor. Your donation will not only directly help some of the poorest people in our hemisphere, it will also dramatically impact the lives of the people from CT going on the trip.

For more information on our group's efforts in La Romana to help the very poor, please visit drmissionteam.org.

Since 1990, the Dominican Republic Mission Team has led work teams to help with the building of the Good Samaritan General Hospital in La Romana, DR, and associated projects aiding the very poor. This summer's groups will represent a great cross-section of people from many churches and the community at-large, with ages ranging from 11 up to 85 years old. The group is organized and run totally by volunteers, so all money raised goes toward helping the poor.

Thank you again!

Sincerely,

DR Mission Team Volunteer
